DENNIS NIFFORD'S HISTORY OF HORROR

DENNIS NIFFORD HAS THE WORLD'S LARGEST COLLECTION OF OLD COMICS (JIMMY TARBUCK, BRUCE FORSYTH, LES DAWSON, ETC). HE ALSO COLLECTS HORROR MAGAZINES, AND HE'S KINDLY AGREED TO REPRODUCE SOME CLASSIC ILLUSTRATIONS AND TELL US A BIT ABOUT THEIR HISTORY.

Editor Sancho at Vampire began publishing the 1950s with titles like 'Armies of Doom', 'Reigning Savage', and 'Nightmare Tales'. The cover reproduced in full color (referred to as 'terrifying') that the comic was immediately 'fanned' in Britain. Now, thanks to Uncle Pops, you can see the face and evil grin of the man in the full color, and run it to your wall, if you stomach's strong enough!

B.C. (Bloodbath Comics) caused controversy in the 1950s with titles like 'Armies of Doom', 'Reigning Savage', and 'Nightmare Tales'. The cover reproduced in full color (referred to as 'terrifying') that the comic was immediately 'fanned' in Britain. Now, thanks to Uncle Pops, you can see the face and evil grin of the man in the full color, and run it to your wall, if you stomach's strong enough!

In the early 1960s, Marble Publications went into horror comics with a series of short stories. Their most successful story was 'I Created Fabbadoom: The Fish That Ate Skyscrapers', which was followed by a sequel 'I Ran Away From Fabbadoom: The Fish That Dripped Bricks From Fabbadoom'. The Fish That Dripped Bricks From Fabbadoom.

The Sad Princess and the Foolish Prince

by THE BROTHERS REALLY-GRIMM

Once upon a time there was a very sad princess. She wanted to be happy, like the princesses she had read about in story-books.

One day she was walking in the forest, when she saw a sad-looking frog.

'Perhaps he is a prince, turned into a frog by a magic spell,' she thought. 'I shall kiss him and release him from the spell, and he will marry me and we'll live happily ever after.'

But when she kissed the frog, it turned into a giant, slaving Nargle-beast!

'Save me, save me!' cried the princess.

A prince from a nearby kingdom was riding in the forest. Hearing the princess crying, he rode to her aid, and slew the beast with an arrow to the head.

'My hero!' thought the sad princess. 'Now that handsome prince will marry me, and I'll have a happy ending after all!' But as the Nargle-beast toppled to its doom, its tail landed on the sad princess, squashing her flat.

It was a sad time for everyone, including the foolish young prince, who was imprisoned for making a tasteless remark at the funeral of the princess. He was silly enough to say: 'Well, at least she had a furry-tail ending!'
